CLARK THE CUB

Clark was born loving the Cubs - it's in his blood! His great-grandbear Joa was once the original live bear mascot for the team back in the early 1900s. When Joa retired to the Lincoln Park Zoo, he delighted the young bears with hundreds of amazing Cubs stories, and Clark was hooked! He dreamed of making his great-grand-bear proud and playing for the Cubs - even though he'd never even seen a game.

Then one day, Clark heard the roar of the crowd coming all the way from Wrigleyville. Determined to finally see the Cubs in person, he followed the sound to Wrigley Field, just in time to see the Cubs raise the W flag.

Inspired by Clark's enthusiasm and love of all things Cub, the team invited him to continue the family tradition and become their official mascot! Soon, he had his very own Clubhouse, and you can usually find him there. His favorite thing to do is hang out around the ballpark, keeping spirits high and kids excited!

SAVE RULE

Rule 10.19 tells the official scorer to credit a pitcher with a save when:

(a) He is the finishing pitcher in a game won by his team, and; (b) he is not the winning pitcher, and; (c) he is credited with at least 1/3 of an inning pitched, and; (d) he qualifies under one of the following conditions: (1) he enters the game with a lead of no more than three runs and pitches for at least 1.0 inning, or; (2) he enters the game with the potential tying run either on base, at bat or on deck, or; (3) he pitches effectively for at least 3.0 innings.

When a relief pitcher enters a game in a save situation and departs or the game ends with the save situation no longer in effect because he has given up the lead, he is charged with a "blown save." If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity.

If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist because of added runs scored by his own team, he is not charged with a save opportunity.

TRIPLE PLAYS: LAST TIME IT HAPPENED

The Cubs have been involved in 80 triple plays since 1876, turning 41 and hitting into 39. The Cubs turned the last double play they were involved in after hitting into the previous five.

On July 29, 2020, in Cincinnati, the Cubs turned their last triple play. Duane Underwood Jr. entered the game and faced Reds' Shogo Akiyama in the seventh inning with Nick Senzel on third base, Freddy Galvis on second and Tucker Barnhart on first. Kris Bryant, playing third base, caught the line drive hit by Akiyama, tagged the base to get the force out on Senzel at third and threw across the diamond to first baseman Ian Happ, who got the force out on Barnhart at first.

The last triple play turned at Wrigley Field was by San Francisco on May 8, 1998 (first baseman Charlie Hayes to shortstop Rich Aurilia). The last time the Cubs turned a triple play at The Friendly Confines occurred June 2, 1983, vs. Pittsburgh — when Pirates pitcher Rick Rhoden hit into an around-the-horn triple killing (third baseman Ron Cey to second baseman Ryne Sandberg to first baseman Bill Buckner).

On May 30, 1927, shortstop Jimmy Cooney turned the only unassisted triple play in Cubs history. In the fourth inning of the Cubs' game in Pittsburgh, Cooney caught Paul Waner's line drive, stepped on second base to retire Lloyd Waner, then tagged Clyde Barnhart off first.

■ 30 IS THE MAGIC NUMBER

The Cubs have had four starting pitchers make 30 or more starts in a season just six times since 1901, including in 2015 and 2016 when Jake Arrieta, Jon Lester, Kyle Hendricks and Jason Hammel all reached the 30-start plateau. The Cubs have made the playoffs each of the last four seasons in which they have had four pitchers make 30 starts, as they also accomplished the feat in 2003 and 2007. The club also had four starters reach 30 starts in 1975 and 1977.

THE SANDBERG GAME

On June 23, 1984, Ryne Sandberg went 5-for-6 with two late-inning dramatic homers and seven RBI in the Cubs' 11-inning 12-11 victory over St. Louis.

Sandberg hit a solo homer off the Cardinals' Bruce Sutter in the bottom of the ninth inning to knot the game at 9-9. Then, after St. Louis tallied twice in the top of the 10th, Sandberg once again knotted the game — this time with a two-run shot off Sutter. Following his game-tying homers, the Cubs won it on Dave Owen's RBI single.

"The Sandberg Game" overshadowed the performance of the Cardinals' Willie McGee, who hit for the cycle.

BEAR CUBS

The greatest number of players to make their major league debuts in one season for the Cubs is 20 — in 1902. The high number of youngsters that season was one of the primary reasons why the club was nicknamed the "Cubs." With the raid of National League players by American League teams, many N.L. clubs stocked their spring training rosters with young, unproven players. The Chicago Daily News, noting all the youngsters in the Chicago camp, used the nickname "Cubs" for the first time in its March 27, 1902 edition.

CUBS PITCHING NOTES

The Cubs set a team mark and tied a major league single-season record (also done by Seattle in 2019 and the Mets and Baltimore in 2021) by utilizing 40 different pitchers in 2022. The Cubs used a franchise record 17 starting pitchers in 2022, exceeding their previous single-season mark of 15 done eight times (1911, 1913, 1941, 1946, 1947, 1966, 1990 and 2006).

The club mark for most left-handed pitchers to see mound action in a season is 11 — a figure reached in both 2018 and 2019 that surpassed 10 in 1999, 2000 and 2017.

The team mark for most strikeouts by a reliever is 11, set by Dave Hillman during a 7.2-inning relief stint May 28, 1959, against Los Angeles.

The last position player to take the mound for the Cubs was outfielder/designated hitter Frammil Reyes, August 23, 2022 vs. St. Louis.

Since the advent of divisional play in 1969, only two Cubs have recorded saves in their major league debuts: Todd Wellemeyer (5/15/03 @ MIL) and Kyuji Fujikawa (4/1/13 @ PIT).

The last Cubs rookie to hurl consecutive complete games was Rich Hill in 2006 (September 16 vs. Cincinnati, September 22 at Cincinnati). Hill finished with two complete games in 2006, making him the first Cubs rookie with more than one complete game in a season since Frank Castillo tossed four in 1991.

The best career start record-wise for a Cubs pitcher is 8-0, recorded by King Cole in 1910 and Carlos Silva in 2010. The worst start belongs to Chris Volstad, who began his Cubs career 0-9 in 2012.

On July 17, 1918, Lefty Tyler pitched a Cubs-record 21 innings in a route-going 2-1 win against Philadelphia. He gave up 13 hits and one walk while striking out eight.

Three years earlier, on June 17, 1915, reliever George "Zip" Zabel was called into a game against Brooklyn with two out in the top of the 1st inning at West Side Grounds. He had to pitch 18.1 innings before earning the win, as the Cubs won 4-3 in the 19th inning.

KEEPING THE ROTATION TOGETHER

The Cubs utilized as few as seven starters in a campaign as recently as 2004, when the only pitchers to start for the club were Matt Clement, Greg Maddux, Sergio Mitre, Mark Prior, Glendon Rusch, Kerry Wood and Carlos Zambrano.

Since 1900, the club mark for fewest starters in a season is six — set in 1901. During the 19th century, the team utilized as few as two starters in four seasons, most recently during a 98-game 1883 campaign (Larry Corcoran 53 starts, Fred Goldsmith 45 starts).

HISTORICAL INFORMATION

HIGHLIGHTS IN CUBS HISTORY

1876: The first game in the history of the Chicago National League franchise took place April 25, as Albert Spalding pitched the first N.L. shutout in the Chicago White Stockings' 4-0 win at Louisville ... Spalding also had the first hit in franchise history, while center fielder Paul Hines scored the first run on a throwing error in the second inning.

- ♦ The first home run in N.L. history was hit by the White Stockings' Ross Barnes on May 2 in a 15-9 victory in Cincinnati.
- ♦ The creation of the N.L. was credited largely to William A. Hulbert, who held the dual role of league president and Chicago president until 1882 ... with the assistance of manager Albert Spalding, Hulbert drafted the N.L. constitution and by-laws in 1875.
- ♦ Of the eight original charter members of the National League, only the Cubs have operated continuously in the same city.

1883: Chicago set major league records when it scored 18 runs and collected 18 hits in September 6's seventh frame ... the Cubs went on to beat Detroit 26-6.

1903: In October, the Cubs and White Sox held the first of the semi-annual "City Series" ... at points from 1903-1942, the two teams met following the regular season for a crosstown set as long as neither team made the Fall Classic.

- ♦ In the inaugural year, the Chicago teams ended with seven wins apiece ... what would have been the deciding game was canceled due to weather.

1906: The Chicago club went 116-36 in setting major league records for wins in a season and winning percentage (.763).

- ♦ The Cubs and White Sox met in the first and only all-Chicago Fall Classic ... it also marked the first time two teams from the same city met in the World Series ... the Cubs fell to the White Sox, four games to two.

1907: "Cubs" was officially adopted as the nickname of the team ... the Cubs then went on to win their first World Series, defeating Detroit in five games.

1908: The Cubs were World Series champions for the second straight year, defeating Detroit four games to one.

1916: The Cubs moved into Weeghman Park (now known as Wrigley Field).

1924: William Wrigley Jr. became the Cubs' majority owner ... he increased his ownership in the team from 39 percent to 57 percent between stockholder meetings in November 1923 and October 1924.

- ♦ Wrigley's involvement with the team began in 1916, when a 10-man syndicate led by Charles Weeghman purchased the club from Charles Taft.
- ♦ After Wrigley's death in 1932, his interest passed to his son, Philip K. Wrigley ... upon Philip's death in 1977, principal interest in the ballclub was left to his son, William Wrigley.
- ♦ The sale of the club to Tribune Company in 1981 ended the longest continuous operation of a franchise by the same family in one city.

1925: The first Cubs regular season game was broadcast on the radio ... Quin Ryan (WGN radio) and Solly Hofman (WMAQ radio) transmitted the April 14 season opener from the Wrigley Field roof ... the Cubs beat the Pirates 8-2.

1930: Hack Wilson established a M.L. record by driving in 191 runs while hitting 56 home runs – a club/N.L. record that lasted until 1998.

- ♦ The largest crowd to see a baseball game at Wrigley Field (51,556) took place June 27 vs. Brooklyn ... of that number, 30,476 were Ladies' Day guests and 1,332 were passholders.

1945: The Cubs went to their 10th World Series, falling to Detroit in seven games.

1946: Chicago aired its first game on television ... the July 13 home game was carried out on WBKB with Jack Gibney calling the 4-3 loss to the Dodgers.

1960: Don Cardwell threw a no-hitter against St. Louis in his Cubs debut May 15 ... became the first pitcher in baseball history to hurl a no-hitter in his first game for a club.

1970: Billy Williams became the first player in N.L. history to appear in 1,000 consecutive games, reaching that mark April 30 ... his streak extended to 1,117 games before ending September 3.

- ♦ The first official night contest took place August 9 vs. New York, with the Cubs winning 6-4 ... the first pitch was thrown by Mike Bielecki at 7:05 p.m. – a called strike to Lenny Dykstra.

1989: The Cubs won their second N.L. Eastern Division title when they defeated Montreal 3-2 at Olympic Stadium September 26 ... the Cubs compiled a 93-69 record under N.L. Manager of the Year Don Zimmer before falling in the NLCS to San Francisco four games to one.

- ♦ For only the fifth time, teammates finished as the top two votegetters in the Jackie Robinson N.L. Rookie of the Year balloting ... Jerome Walton, who had a club-record 30-game hitting streak during the season, won the award, while Dwight Smith finished second in the voting.

1990: Ryne Sandberg hit a league-high 40 home runs, the third-highest single-season total for a second baseman behind the 42 hit by St. Louis' Rogers Hornsby in 1922 and Atlanta's Davey Johnson in 1973.

CONSECUTIVE GAME STREAKS

A consecutive-game playing streak shall be extended if a player plays one-half inning on defense, or if he completes a time at-bat by reaching base or being put out. A pinch-running appearance does not extend a streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

A consecutive-game hitting streak shall not be terminated if all a player's plate appearances result in a base on balls, hit batsman, defensive interference or sacrifice bunt. The streak shall end if the player has a sacrifice fly and no hit.

■ ERNIE BANKS — MR. CUB

For 19 seasons, Ernie Banks delighted Wrigley Field fans with his long home runs and cheerful disposition. He hit 512 home runs, surpassing the 40-roundtrippers mark five times. He hit 277 of his homers as a shortstop — a National League record. He also holds the N.L. single-season mark for homers by a shortstop (47 in 1958). The 14-time All-Star won the N.L. Most Valuable Player Award following both the 1958 and 1959 campaigns.

Banks, whose No. 14 flies from the left field foul pole at Wrigley Field, was elected to the Baseball Hall of Fame in 1977. He was voted to Major League Baseball's All-Century team in 1999.

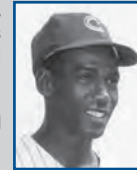

Born on January 31, 1931 in Dallas, Texas, Banks played for the Cubs from 1953-71 and served as a coach from 1967-73. He made his major league debut September 17, 1953.

Following Whitey Lockman's ejection on May 8, 1973, coach Ernie Banks took over the reins as acting manager becoming the first African-American to manage a major league team.

In 2008, Banks was honored by the Cubs with a statue at Wrigley Field, commemorating his illustrious career.

In 2013, Banks was presented with the Presidential Medal of Freedom, an award given to those who have made "an especially meritorious contribution to the security or national interests of the United States, world peace, cultural or other significant public or private endeavors." It is the highest civilian award of the United States.

Banks passed away on January 23, 2015 at the age of 83. The Cubs honored him throughout the 2015 campaign, including wearing a No. 14 patch on their uniforms and displaying a No. 14 logo behind home plate at Wrigley Field.

CUBS FROM JAPAN

The Cubs have had 10 Japanese-born players in their history: infielder Munenori Kawasaki, outfielders Kosuke Fukudome, Seiya Suzuki and So Taguchi, right-handed pitchers Yu Darvish, Kyuji Fujikawa and Koji Uehara and left-handed pitchers Hisanori Takahashi, Tsuyoshi Wada and Shota Imanaga.

Uehara pitched in 49 games for the Cubs in 2017, going 3-4 with two saves and a 3.98 ERA.

Kawasaki played in 14 games for the Cubs in 2016, batting .333 (7-for-21) with three runs. Fukudome made his Cubs debut, March 31, 2008 vs. Milwaukee (went 3-for-3 with a double, home run and three RBI), becoming the first Japanese-born Cub. He went on to appear in 513 games for Chicago, spanning four seasons from 2008-11. Taguchi played in six games for Chicago during the 2009 campaign.

Wada made 21 appearances (20 starts) with the Cubs from 2014-15. He made his major league debut on July 8, 2014 vs. Cincinnati, becoming the first ever Japanese-born pitcher to start a game for the Cubs.

Fujikawa pitched in 12 games for Chicago in 2013 before missing the season's final four months due to an elbow injury that necessitated Tommy John surgery. He returned in 2014 to appear in 15 games. Takahashi made the 2013 club out of Spring Training after signing a minor league deal with the organization. He pitched in three April games for Chicago before he was designated for assignment.

Ⓢ Cubs pitchers limited Atlanta's offense to just a .228 average ... Cubs starters gave up only four earned runs in 20.0 innings.

For the first time since winning the 1908 World Series, the Cubs were victorious in a postseason series ... as such, the Cubs qualified for their first trip to the National League Championship Series since 1989.

Ⓢ The affair was only the third “final and decisive” postseason contest in Cubs history ... the club had dropped Game Seven of the 1945 World Series to Detroit and Game Five of the 1984 NLCS to San Diego.

Ⓢ With two victories, Kerry Wood became the first Cub to pick up a pair of wins in a postseason series since Hank Borowy in the 1945 World Series ... he fanned 18 batters in the two starts, surpassing the club-record 17 recorded by Hippo Vaughn in the 1918 World Series ... in the series-opening 4-2 victory, he had two hits – and drove in the game-winning run with a two-run double in the Cubs four-run sixth inning.

Ⓢ In Game Three (a 3-1 Cubs win), Mark Prior went the distance – allowing two hits while fanning seven ... he was the first Cubs pitcher to throw a complete game in the postseason since Claude Passeau accomplished the feat in Game Three of the 1945 World Series ... in the process, he also became the second hurler to throw a two-hitter in a Division Series affair, joining Nolan Ryan (October 6, 1981).

TOP PERFORMERS: Kenny Lofton (10-for-31, 8 R), Moises Alou (9-for-29, 2 HR, 5 RBI), Sammy Sosa (8-for-26, 2 HR, 6 BB, 6 RBI)

Five outs — that's all that stood between the Cubs 3-0 lead in Game Six and their first trip to the Fall Classic since 1945 ... before two of those outs could be recorded, Florida stunned the Cubs with an eight-run eighth-inning rally.

- Ⓢ By the time the fateful eighth was over, the Marlins had sent 12 batters to the plate ... the eight runs were the most in an NLCS inning since St. Louis plated nine in the second inning October 13, 1985, against Los Angeles.
- Ⓢ There was another day for the Cubs, however ... in Game Seven, they found themselves down 3-0 early before rallying to tie the score in the bottom of the second — including a two-run shot by Kerry Wood ... his roundtripper was just the fourth by a pitcher in NLCS history — and the first since the Cubs Rick Sutcliffe went deep in Game One of the 1984 NLCS vs. San Diego ... the Cubs then went ahead 5-3 in the third inning on Moises Alou's two-run homer ... from that point, though, the Cubs were held to just one hit — a Troy O'Leary pinch homer in the seventh off Josh Beckett — as the Marlins pushed across six runs from the fifth through seventh innings.
- Ⓢ In the process, the Marlins became the fourth team in League Championship Series history to overcome a three-games-to-one deficit in advancing to the World Series.

TOP PERFORMERS: Mark DeRosa (3-for-9, 2 BB, 2 R), Derrek Lee (4-for-12, BB, R), Carlos Zambrano (6.0 IP, 4 H, R)

In the team's first postseason appearance since 2003, the Cubs were swept by the Arizona Diamondbacks, three-games-to-none, in the National League Division Series ... Chicago batted just .194 (19-for-98) in the series with six runs scored ... Chicago batted just .087 (2-for-23) with runners in scoring position while Geovany Soto hit the club's lone home run — a two-run blast in Game Two off Arizona's Doug Davis.

- Ⓢ Soto's long ball made him just the second Cubs rookie to ever homer in a postseason contest ... previously, Cubs rookie Frank Demaree homered off the Yankees Johnny Allen on October 2, 1932, in the fourth game of the 1932 World Series at Wrigley Field.
- Ⓢ The Cubs dropped Game One, 3-1, as Carlos Zambrano went up against Arizona's Brandon Webb ... the game was tied 1-1 before the Diamondbacks scored two runs off Carlos Marmol in the seventh.
- Ⓢ Chicago enjoyed its only lead of the series when Soto's two-run homer in the second inning of Game Two at Chase Field gave the Cubs an early 2-0 ... Arizona rebounded for four runs in the bottom half of the inning and would hold the lead for the remainder of the game.
- Ⓢ In Game Three, the Diamondbacks touched Rich Hill for three runs in 3.0 innings of work as Chicago went 0-for-9 with runners in scoring position.

Chicago starters compiled a 5.87 ERA (10 ER/15.1 IP) ... Ryan Dempster issued a career-high seven free passes in Game One's 7-2 setback.

- Ⓢ Derrek Lee extended his postseason hitting streak to six games with a 3-for-4 Game Three performance ... hit at a .545 clip (6-for-11) with three doubles and two runs scored on the series.

UNDER THE LIGHTS

In 1988, the Cubs added a new dimension to already historic Wrigley Field — ballpark lights, allowing the club to play night games ... Chicago hosted the Phillies, August 8 of that season, in the first scheduled night game at Wrigley Field ... that game was rained out prior to five innings, so the first official night game at the Friendly Confines took place the following evening, August 9, against the Mets (a 6-4 Cubs win) ... here's a look at how the club has done under the Wrigley Field lights since 1988:

■ HOW TO CALCULATE BASEBALL STATISTICS

Earned Run Average = $(ER \times 9) / IP$... Earned runs multiplied by 9, then divided by innings pitched (0.1 innings = .333, 0.2 innings = .667).

Batting Average = H / AB ... Hits divided by at-bats.

Slugging Percentage = TB / AB ... Total number of bases (single = 1 base, double = 2 bases, triple = 3 bases, home run = 4 bases) divided by at-bats.

Fielding Average = $(PO + A) / (PO + A + E)$... Putouts plus assists divided by total chances (putouts plus assists plus errors).

On-Base Percentage = $(H + BB + HBP) / (AB + BB + HBP + SF)$... Hits plus walks plus hit-by-pitch divided by at-bats plus walks plus hit-by-pitch plus sacrifice flies.

Win-Loss Percentage = Number of games won divided by total games played.

Magic Numbers = Compute the number of games remaining, add one, then subtract the number of games ahead in the loss column of the standings of the closest opponent.

ROBERTO CLEMENTE AWARD

Since 1971, Major League Baseball has annually presented an award that recognizes a player who best exemplifies the game of baseball through sportsmanship, community involvement and positive contributions to his team. In 2017, Anthony Rizzo was honored as the league-wide recipient of the award, the first Cubs winner since Sammy Sosa in 1998 ... Rizzo was honored as the Cubs recipient of award in five-straight seasons from 2013-17, prior to Jon Lester receiving the honor in 2018.

In 1973, following the tragic death of Roberto Clemente, the award was named to honor the man whose spirit and goodwill will always be remembered. The 12-time All-Star and Hall of Famer was killed in a plane crash in 1972 delivering food and medical supplies to earthquake victims of Nicaragua. The award, sponsored by John Hancock Financial Services, recognizes those individuals who truly understand the value of helping others.

A panel of baseball dignitaries, including Vera Clemente and Commissioner Rob Manfred, annually selects the winner from a list of 30 candidates, one from each Major League Baseball Club. These local winners are announced in September during Roberto Clemente Day. The winner of the national Roberto Clemente Award is announced during a pre-game ceremony at the World Series. Past winners include Craig Biggio, Clayton Kershaw, Jamie Moyer, Jim Thome, Curt Schilling, Al Leiter, Tony Gwynn, Willie Mays, Ozzie Smith, Cal Ripken, Jr., Albert Pujols, Derek Jeter, Andrew McCutchen, Curtis Granderson and Anthony Rizzo.

WRIGLEY FIELD INFORMATION

HISTORY OF WRIGLEY FIELD

The 2025 season marks the 110th year of Cubs baseball at Wrigley Field and the 112th season of professional baseball ... opened in 1914, Wrigley Field is the second-oldest ballpark in the major leagues behind Boston's Fenway Park (1912).

- ◆ Originally known as Weeghman Park, Wrigley Field was built on the grounds once occupied by a seminary.
- ◆ Weeghman Park was the home of Chicago's entry into the Federal League and was the property of Charles H. Weeghman ... the club was known as both the Federals and the Whales.
- ◆ The cost of building Weeghman Park, which had a seating capacity of 14,000, was estimated at \$250,000 ... the infield and outfield consisted of more than 4,000 yards of soil and four acres of bluegrass.
- ◆ The first major league game at the ballpark took place April 23, 1914, with the Federals defeating Kansas City 9-1 ... the first homer in ballpark history was hit by Federals catcher Art Wilson – a two-run shot in the second inning off Kansas City's Chief Johnson.
- ◆ When the Federal League folded for financial reasons after the 1915 campaign, Weeghman purchased the Cubs from the Taft family of Cincinnati and moved the club to the two-year-old ballpark at the corners of Clark and Addison streets.
- ◆ The first National League game at the ballpark was played April 20, 1916, when the Cubs beat the Cincinnati Reds 7-6 in 11 innings ... a bear cub was in attendance at the game.
- ◆ The park became known as Cubs Park in 1919, following the resignation of Charles Weeghman as team president at the December 1918 board of directors meeting – shortly after William Wrigley Jr. had assumed the title as largest stockholder in the club ... in 1926, with Mr. Wrigley owning more than 50 percent of the team stock and having purchased the land of the park in 1924, the field was renamed Wrigley Field.

HISTORIC MOMENTS AT THE FRIENDLY CONFINES:

- ◆ Babe Ruth's "called shot," when Ruth allegedly pointed to a bleacher location during Game 3 of the 1932 World Series ... Ruth then hit Charlie Root's next pitch for a homer.
- ◆ Gabby Hartnett's famous "Homer in the Gloamin'" September 28, 1938, off Pittsburgh's Mace Brown.
- ◆ The great May 2, 1917, pitching duel between Jim "Hippo" Vaughn and the Reds' Fred Toney ... both Vaughn and Toney threw no-hitters for 9.0 innings before Cincinnati's Jim Thorpe (of Olympic fame) drove in the only run in the 10th inning ... Toney finished with a no-hitter.
- ◆ Ernie Banks' 500th career home run May 12, 1970, vs. Atlanta's Pat Jarvis.
- ◆ Pete Rose's 4,191st career hit, which tied him with Ty Cobb for the most hits in baseball history ... Rose singled off Reggie Patterson September 8, 1985.
- ◆ Kerry Wood's 20-strikeout affair in 1998.
- ◆ Sammy Sosa's 60th home runs in 1998, 1999 and 2001.
- ◆ Greg Maddux's 3,000th career strikeout July 26, 2005.
- ◆ Tom Glavine's 300th career victory August 5, 2007.
- ◆ The Cubs clinched the N.L. Pennant at Wrigley Field, October 22, 2016, defeating the Dodgers, 5-0 in NLCS Game Six.
- ◆ The 1947, 1962 and 1990 All-Star Games.

RETIRED NUMBERS: The left and right field foul poles feature flags honoring the Cubs' six players with retired uniform numbers. Ernie Banks' uniform number (14) is imprinted on the flag which flies from atop the left field foul pole, directly above Ron Santo's No. 10 and Fergie Jenkins' No. 31 ... Ryne Sandberg's No. 23, Billy Williams' No. 26 and Greg Maddux' No. 31 fly from the right field foul pole, as does Jackie Robinson's No. 42.

BLEACHERS AND SCOREBOARD: The Wrigley Field bleachers and center-field scoreboard were constructed in 1937 when the outfield area was renovated to provide improved and expanded seating ... the original scoreboard remains intact.

- ◆ The score-by-innings and the pitchers' numbers are changed by hand ... the numbers signaling batter, ball, strike and out, along with "H" and "E" – to signify hit and error – are eyelets.

- ◆ No batted ball has ever hit the center-field scoreboard ... two baseballs barely missed – a homer hit onto Sheffield Avenue (right-center) by Bill Nicholson in 1948, and one hit by Roberto Clemente onto Waveland Avenue (left-center) in 1959.
- ◆ One of the traditions of Wrigley Field is the flying of a flag bearing a "W" or an "L" atop the scoreboard after a game ... a white flag with a blue "W" indicates a victory; a blue flag with a white "L" denotes a loss.

IVY WALLS: The original vines were planted in September 1937 ... a father/son duo from a local nursery strung bittersweet from the top of the wall to the bottom, then planted the ivy at the base of the wall.

LIGHTS: Wrigley Field added lights in 1988, becoming the final major league stadium to hold night games.

- ◆ The first night game took place August 8 against Philadelphia, with Rick Sutcliffe on the mound, but was rained out in the fourth inning.
- ◆ The first official night game occurred August 9 vs. New York, when the Cubs defeated the Mets 6-4.
- ◆ The Cubs enter the 2025 season having played 951 home night contests (going 502-449).

WRIGLEY FIELD CONSTRUCTION PROJECTS:

- ◆ During the winter of 1984, a new home clubhouse was completed under the third base stands ... the visitor's clubhouse was renovated in 1990.
- ◆ In 1989, a new press box and broadcast booths were constructed in the upper deck directly behind home plate ... private boxes were constructed on the mezzanine level, where the press box was formerly.
- ◆ Following the 2005 season, the Cubs expanded the bleachers, adding a restaurant in the batter's eye and a window to Sheffield Avenue in right field.
- ◆ In the winter of 2007, Wrigley Field underwent a major field renovation project to remove the field's crown, install an intricate drainage system and create a new playing surface.
- ◆ Prior to the 2010 season, the back of the centerfield scoreboard was fully renovated for the first time since it was installed in 1937 ... restrooms were remodeled and fitted with new fixtures, a new viewing plaza was created adjacent to the indoor batting cage to provide fans the opportunity to watch batting practice and the PNC Club was added to the mezzanine suites down the left field line.
- ◆ Prior to the 2012 campaign, the right-field Budweiser bleachers were transformed to include the Budweiser Patio ... the area provided fans with a rooftop experience inside the ballpark, and added a 75-foot LED board just above the right field fence.
- ◆ The long-awaited restoration and expansion of Wrigley Field, known as The 1060 Project, is set to be officially completed with a rededication ceremony held on April 19, 2020 ... this multi-year upgrade preserved the ballpark's beauty, charm and historic features that fans have cherished for more than a century, while updating and improving the iconic ballpark for fans, players and the community.
- ◆ The 1060 Project, which started at the conclusion of the 2014 baseball season, included structural upgrades, improved player facilities, new fan amenities, outfield signage, two video boards, new premier clubs, expanded concessions, new and improved restroom facilities, and much more ... for more information on The 1060 Project, please visit www.wrigleyfield.com.
